WORKSHOP

WHEEL THROWING 101

11-5PM FRIDAY APRIL 26

\$30-80 PAY WHAT YOU CAN

Come get familiar with the clay room at Binch and learn how to use the studio as a wheel-based shop! Designed for anyone new to throwing, or with a bit of experience. In this 6 hour workshop you'll learn how to prepare your clay for the wheel, some basic throwing techniques, drying finished pieces and recycling used clay back into circulation. The workshop will have some guided instruction as well as open time to practice and binch out.

WORKSHOP

COMICS 101

12-4PM SATURDAY MAY 4

\$20-60 PAY WHAT YOU CAN

Open to all levels of experience. This course follows the journey of the page, from pencil to printed product. Learn the rhythm and pacing of paneling, technical terms, and helpful hints! The class culminates in books and/or posters!

WORKSHOP

SCREEN PRINTING 101

11-5PM SATURDAY MAY 25

\$30-80 PAY WHAT YOU CAN

Learn the basics of converting drawings into printed multiples! Screen printing can be a low-cost, fast method of reproducing images or a long practice of experimentation with color, line, layering and repetition. In this one day informal workshop we will go through each step of the screen printing process, making sure to cover techniques and trouble-shooting as well as best practices and alternative methods.

WORKSHOP

HAND BUILDING 101

2-6PM SATURDAY MAY 11

\$20-60 PAY WHAT YOU CAN

Three basic techniques: pinch pot, coil, slab. Will teach scratch and attach methods of building.

Best for complete beginners ! Two hours of instruction and two hours of supervised projects so students can at least have one item of each technique finished by the end :3

WORKSHOP
